Dear Dean Benton:

Thank you for your letter of the 1st of July. We regret that distance made it impossible for you to attend the Hall of Fame ceremony on the 18th of May, but have pleasure in sending you, in another cover, a copy of the program of the event. With the program, we are also sending you a copy of our most recent handbook, and one or two other documents which may be of interest.

Sincerely yours,

Bertha L. Lyons (Mrs. N.)

P.S. Dr. Sockman is out of town, and your letter has come to me in his absence.
